BREB Members: FREE

Non-members: \$10 plus HST

What is it?

- Land securement is the acquisition of natural lands for long-term protection to ensure our communities sustain a foundation of healthy forests, rivers and biodiversity
- Success depends on the willingness of private landowners to divest a part of their land for conservation

Agenda

WHY is protecting greenlands important?

- Natural heritage protection
- Increasing urbanization with population growth
- Leaving legacy for future generations

HOW can REALTORS® protect greenlands?

- Educate landowners about existing programs for land stewardship and rehabilitation, and tax incentive opportunities
- Inform landowners about land securement options for long-term land protection in perpetuity

WHO has already protected greenlands?

- Hear local conservation success stories!

Conservation Land Securement

Location

Brampton Real Estate Board
60 Gillingham Drive, Suite 401
(Bovaird Dr. West & Hurontario Street)
Brampton, Ontario
